A quick walkthrough of how to book a CV-review session with your mentor on Parthsaarathi.

1 Sign in

Go to the Parthsaarathi login page and sign in with your **@iiml.ac.in Google account**. Only whitelisted accounts can access the platform — if you get a "not authorised" message, contact your Disha mentor or the Placement Committee to confirm you've been added.

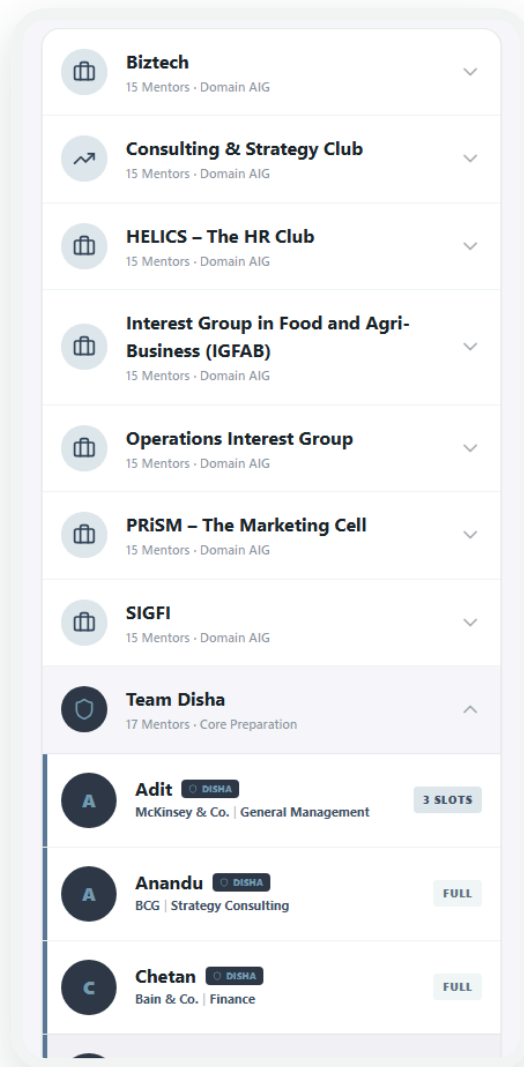

After signing in you land on **Book your Slot** — your home screen. From here you can search any mentor by name, firm, or domain; open **My Sessions** to see your booking history; and browse Preparation Groups — Team Disha (your assigned Disha mentor) and the seven domain AIGs.

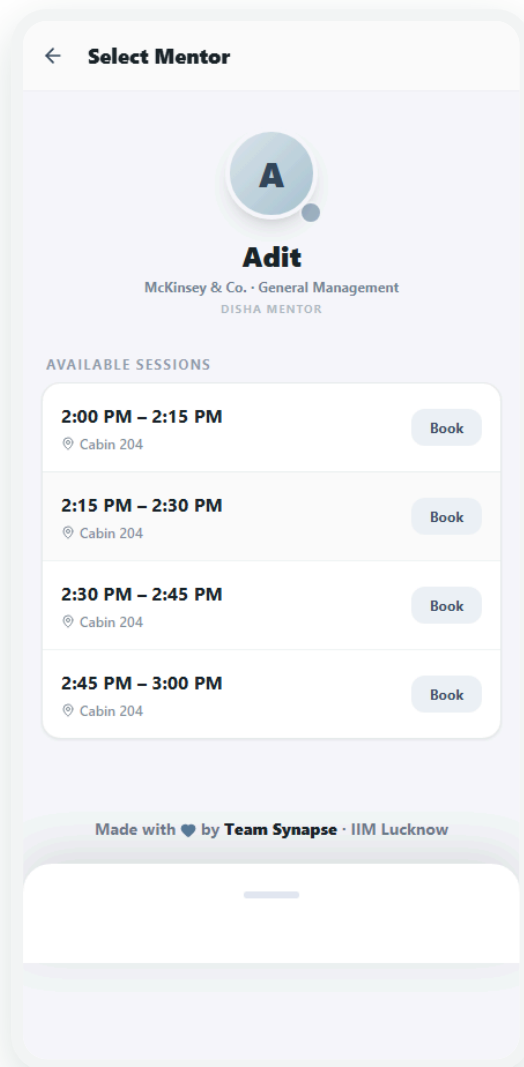

Find your mentor

Tap **Team Disha** to expand the group and see all Disha mentors. Each entry shows the mentor's firm/domain and how many slots are currently open — **FULL** means fully booked, check back later. Tap a mentor's name to open their available sessions. Domain AIG mentors work the same way.

Pick a slot

On a mentor's page you'll see their **Available Sessions** — each a 15-minute (or mentor-set duration) block with a time and venue. Tap **Book** on the slot that works for you.

Confirm your session

A confirmation sheet slides up. Select a **Session Focus** — Overall CV Review, Work Experience, or POR/ECA — then tap **Lock In Booking**.

⚠️ Late cancellations (under 60 min before slot) incur warnings or strikes. No-shows result in an automatic strike.

🛡️ **Lock In Booking**

Cancel

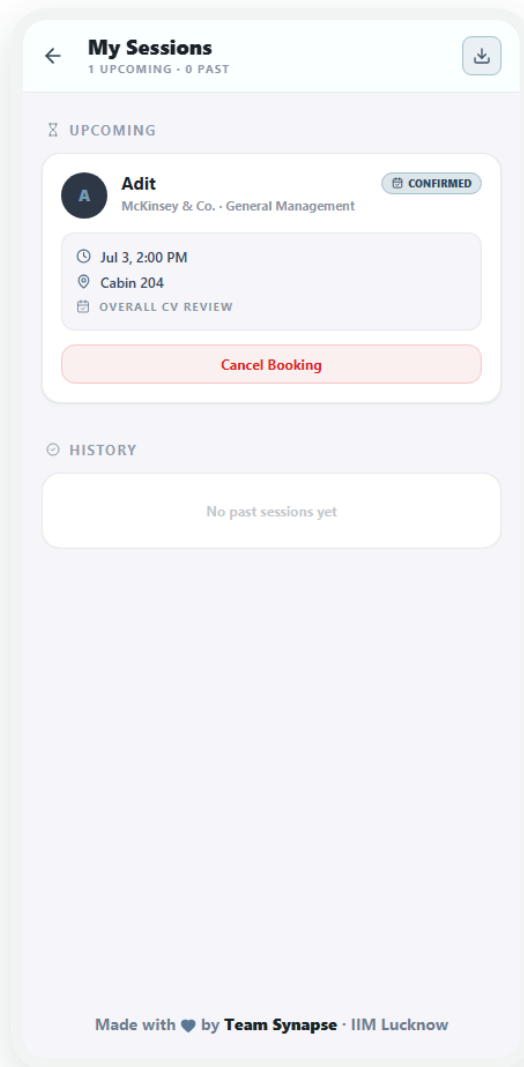

Cancelling **under 60 minutes** before your slot, or not showing up, results in a warning or strike against your account. Repeated strikes lead to a temporary booking ban — see Step 7.

Once confirmed, the slot updates immediately to show your booking:

My Sessions

Tap **My Sessions** from the dashboard to see all upcoming and past sessions. Each card shows the mentor, time, venue, your selected focus, and status. You can cancel an upcoming session here, or download your booking history as a CSV via the download icon top-right.

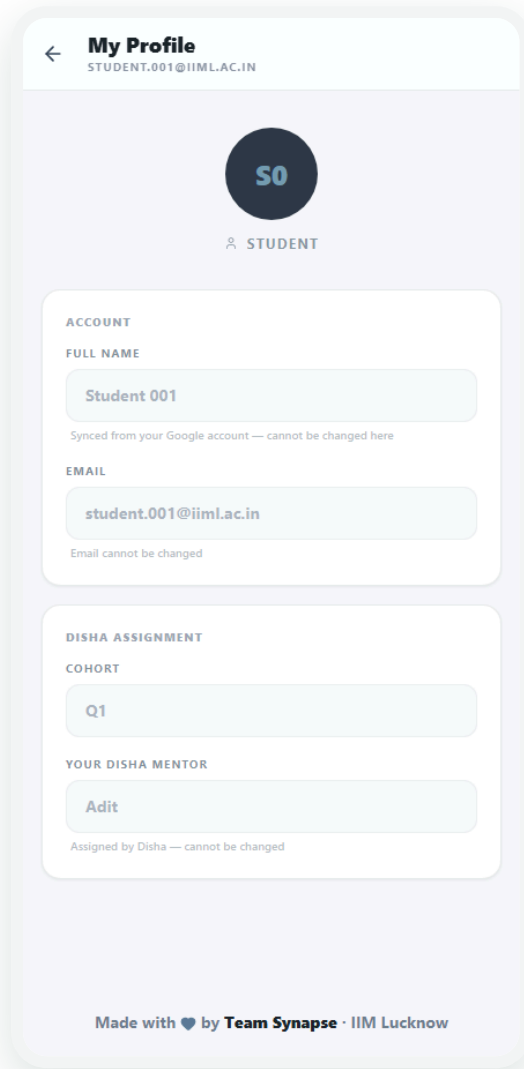

Cancelling & penalties

Tap **Cancel Booking** on an upcoming session if you can no longer make it.

When you cancel	What happens
≥ 60 minutes before the slot	No penalty
30–59 minutes before	Warning (3 warnings → 1 strike)
< 30 minutes before, or a no-show	Strike, immediately

Tap the avatar (top right) → **Edit Profile**. Your name and email sync from your Google account and can't be edited here. Your cohort and assigned Disha mentor are read-only — assigned by the Disha Committee.
